SECOND SUPPLEMENTAL AMENDMENT

SIR:

As a supplement to the Request for Continued Examination, filed on September 3, 2002, please amend the above-identified application prior to examination thereof. A marked-up version of the claim amendments showing the changes made is attached hereto and identified as "Red-Lined copy of the Amendment."

IN THE CLAIMS

89. (AMENDED) A first computerized central communications facility connected to a network of other computerized central communications facilities in which at least one of said other computerized central communications facilities provides information relating to goods or services in competition with said first computerized central communications facility, said first computerized central communications facility comprising:

a database of information relating to goods or services;
